REPORTING TO SCHOOL

Students should not arrive at school before 8:00 a.m. because no teacher or staff member is assigned supervision before that time. The District cannot be responsible for children's actions or safety before those times, but all regulations apply to students from the time they set foot on school grounds until the time they leave.

Under no circumstances should elementary students be in the gym, classroom, or cafeteria area prior to 8:00 a.m. or after 3:00 p.m., unless directed to do so by the Principal or staff member on duty.

Students may not leave school grounds once they have come to school or have been dropped off by the bus. Bus riders must enter the school immediately and stay there. Car riders and walkers should not arrive before 8:00 a.m. All students should report directly to the cafeteria upon arrival.

Breakfast is served for all elementary students at 8:00 a.m. in the cafeteria.

A phone is located in the office for student use in case of an emergency. Elementary students are not permitted to use the hallway phone or personal cell phones during the school day (Reference to BYOT Policy).

SCHOOL GRADING SCALE

93 – 100 = A or O
85 – 92 = B or S+
75 – 84 = C or S
65 – 74 = D or S-
64 – under = F or U

ATTENDANCE

Students are expected to be in school on time every day that school is in session. If a student is absent, the parent must call the school office (330-536-8426) before **9:00 A.M.** to report the student's absence and give a reason for it. This alerts school personnel of contagious diseases.

Without a parental call off, a student WILL NOT be permitted to make up missed work. Please do not ask for homework to be sent home unless the child is absent **2 days or more**. Requests for homework must be made before 9:00 AM. The number of days allowed for make-up work is the number of days absent. This can be quite a load for an elementary student who has missed a lot of school. Parental cooperation in this instance is appreciated.

When the child returns to school, he/she must bring with him/her an excuse signed by a parent. The excuse should include: date, dates of the child's absence, the reason for the absence given, and the signature of a parent.

This absence will still be an **UNEXCUSED** absence unless a doctor's note or a valid copy of a prescription is presented to the attendance officer within 48 hours of the student's return to school, or if the absence meets any of the criteria below:

*According to state law, the following criteria qualify as **EXCUSED ABSENCES**:

1. Illness with medical verification
2. Recovery from an accident
3. Required court attendance with verification
4. Death in the family
5. Observation of a religious holiday
6. Quarantine
7. Other emergencies or circumstances, which, in the judgment of the Superintendent, constitute good and sufficient cause for absence from school.

Absence for any reason other than those cited above is unwarranted and is considered an **UNEXCUSED** absence, even when a parental call off is made. While it is sometimes necessary to schedule doctor or dentist appointments during school hours, it is suggested that this not be done on a regular basis. When it is done, the student must bring a physician's slip to the high school within 48 hours of returning to school.

1st NOTICE: The student and parent(s) will be notified by the attendance officer in writing when the student reaches **5 UNEXCUSED** absences in a year.

2nd NOTICE: The student and parent(s) will be notified by the attendance officer in writing when the student reaches **8 UNEXCUSED** absences in a year.

3rd and FINAL NOTICE: The student and parent(s) will be notified by the attendance officer in writing when the student reaches **12 UNEXCUSED** absences in a year. The student and parent will also be subject to appearing in juvenile court.

PROLONGED ABSENCES

Any absence extending more than three (3) days, or any questionable pattern of attendance, will be checked by the building Principal. If this is not corrected, it will then be referred to the County Attendance Officer.

TARDINESS

The school day begins at 8:30 a.m. All students must be in their homeroom by this time. If a student is going to be in after 8:30 a.m., a signed note is to accompany the tardy child to school explaining why he/she is tardy. The student will be asked by his/her teacher to go to the attendance officer to drop off that note and also receive a pass permitting him/her to class. If a student knows he/she will be tardy, he/she may go straight to the attendance/tardy officer located in the main office to drop off the note and get the required pass.

A student is permitted to be tardy twice within a grading period and still receive perfect attendance for that grading period. If a student is tardy a third time within a grading period, the parent/legal guardian will receive a phone call from the attendance officer.

Students will receive a detention from the attendance officer upon receiving his/her third tardy and everyone thereafter. This policy resets every grading period. Once a detention for tardiness is issued, perfect attendance cannot be attained.

SCHOOL ATTENDANCE FOR EXTRA-CURRICULAR ACTIVITIES

Students must be in attendance at school the entire day the day of an extra-curricular event. One-half (1/2) of the day when excused by the Principal or excused for the purpose of medical treatment or therapy. An excuse from the physician or therapist must accompany the student upon arrival. These requirements must be fulfilled before permission will be granted to participate in after-school activities. A half-day is from 8:30 A.M. to 12:15 P.M. or from 11:45 A.M. to 3:00 P.M.

VACATIONS

We realize that parents often cannot control the dates of their vacations; however, such days do not constitute legal absence from school according to state law. Students who go on vacation will be considered for **EXCUSED** absences only if the following conditions are met:

1. A Vacation Request Form must be filled out by the parents and returned to the Principal's office for approval at least one week before the first day of the absence.
2. Students must be on vacation with their own parents.
3. Parents and students must make arrangements with all teachers for missed class work and assignments prior to leaving for vacation. This may only be done **BEFORE** or **AFTER** school hours and not during the regular class period.
4. Students **MUST** have a passing grade in all classes when the form is presented to the teacher prior to the vacation.
5. Excused vacations **WILL NOT** be granted during any state testing window.
6. There is a limit of 5 vacation days that will be considered as **EXCUSED** for the school year.

MEDICAL SIGN OUT PROCEDURE

If a child must be excused early from school, a note from the parent stating the reason and the time to be picked up shall be presented to the home-room teacher at the beginning of the day. **Children must be picked up in the main office.** Children will be not be called to the office until the parent arrives to sign them out. Due to the interruption of the school day these requests should be for emergency only.

IMMUNIZATIONS

The following vaccinations are required by minimum standards established by the Ohio Department of Health for children enrolling in school:

- ❖ **Diphtheria, Tetanus, Petrussis (DTP, DtaP, DT, Td):** A minimum of 4 doses are required. If the 4th dose was administered before the 4th birthday, a 5th dose is **required**.
- ❖ **Poliomyelitis (OPV, IPV):** A minimum of 3 doses are required. If the 3rd dose was administered before the 4th birthday, a 4th dose is **required**.
- ❖ **Measles, Mumps, Rubella (MMR):** 2 doses are required for entry into Kindergarten.
- ❖ **Hepatitis B Vaccine series:** A minimum of 3 doses are required.

EYE AND HEARING TESTS

The Mahoning County Health Department tests the hearing of grade one and grade three each year, plus any referral from teachers of other grades. Also, the vision of all the students will be checked by our nurse.

HEALTH NEWS

A part-time nurse is employed by the Lowellville Schools. If a child becomes ill every effort will be made to help the child. If the child's temperature is high or the child is experiencing continuous discomfort or pain, the family will be notified. It is required that your child's emergency medical form be completed and kept on file with the office so that we may contact you quickly if necessary. If your child has a fever, and/or serious cough, vomitting, etc., do not send him/her to school and expose the other children and staff members.

MEDICATION

Parents are required to bring medications to school and give them to the school nurse. Students are not permitted to carry them to and from school. To insure your child's safety, it is required that any prescription medications be kept in their original container. All over-the-counter medications and prescription medications must be accompanied by a physician's note. All medication is kept and dispensed through the office. A medical form may be picked-up in the Lowellville School Office.

SCHOOL CLOSING

It is the parents' responsibility to make arrangements for the supervision of their children for early dismissal and/or in the event that there is an unexpected school closing. Certain conditions, including extremely inclement weather, may necessitate cancellation of school or a delay in starting time. Parents are advised to listen to one of the following Youngstown area radio or television stations if they suspect a change in the school day: WFMJ (21), WKBN (27), WYTV(33), WBBG (Oldies 106.1), WHOT (101), etc. PLEASE DO NOT CALL THE STATIONS OR SCHOOL. TELEPHONE LINES MUST BE KEPT OPEN FOR EMERGENCIES.

If school will be dismissed early for all students, it will be announced through the All Call system.

BUS CONDUCT

The buses travel many miles over narrow, hilly roads during all kinds of weather. The bus driver is responsible primarily for the safety of those students on the bus. Students who misbehave take the driver's attention away from where it should be--traffic and road conditions and the safe loading and unloading of students. Therefore, bus misbehavior cannot and will not be tolerated. Students are reminded that buses are "**school property**" and therefore, all other rules, regulations and disciplinary actions apply to misconduct in addition to specific penalties for bus misconduct as described in the following (reference O.R.C. 3301-83-08):

1. **Students shall arrive at the bus stop 5 minutes before the bus is scheduled to arrive.**

2. **Students must wait in a location clear of traffic and away from the bus stop.**
3. **Behavior at the school bus stop must not threaten life, limb, or property of any individual.**
4. **Students must go directly to an available or assigned seat so the bus may safely resume motion.**
5. **Students must remain seated, keeping aisles and exits clear.**

7. **Students must not use profane language.**
8. **Students must refrain from eating and drinking on the bus except as required for medical reasons.**
9. **Students must not use tobacco on the bus.**
10. **Students must not have alcohol or drugs in their possession on the bus.**
11. **Students must not throw or pass objects on, from or into the bus.**
12. **Students must carry on the bus only objects that can be held in their laps.**
13. **Students must leave or board the bus at locations to which they have been assigned unless they have parental permission and administrative authorization to do otherwise.**
14. **Students must not put head or arms out of the bus windows.**
15. **Guidelines will be formulated for the use and storage of equipment and other means of assistance required for handicapped students.**
16. **Proper steps will be taken to collect, store and use medical information related to students known to have medical problems which may require driver attention.**
17. **Only students who are registered bus riders will be transported. NO other students will be transported unless arrangements have been made prior to being transported.**
18. **The bus driver reserves the right to make a seating chart.**

ITEMS BROUGHT TO SCHOOL

At times, children will want to bring something to school that is related to the course of study or has some other educational value. Although we encourage this, items which are expensive, irreplaceable, or of great personal or family value should not be brought to school as they might be stolen, lost or broken. The child is responsible for the item that is brought to school.

DO NOT ALLOW CHILDREN TO BRING ANY GLASS OBJECTS OR ITEMS IN GLASS CONTAINERS ON THE SCHOOL BUS!!

Hard balls, frisbees, etc. should not be brought to school as they are not permitted on the playground. Due to the number of students on the playground at one time, any toys which could be considered a threat to another student (eyes especially) should not be brought to school.

***PETS SHOULD NOT BE BROUGHT TO SCHOOL UNLESS PRIOR ARRANGEMENTS ARE MADE BY THE TEACHER AND THE PARENT.**

HARASSMENT & BULLYING

Anti-Harassment, Anti-Intimidation or Anti-Bullying

As per Ohio Legislative House Bill 276, the Ohio State Board of Education Anti-harassment, Anti-intimidation or Anti-bullying Model Policy, and this School District's Board of Education Policy.

Harassment, intimidation, or bullying behavior by any student/school personnel in this school district is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school.

“Harassment, intimidation, or bullying”, in accordance with Ohio law, means any intentional written, verbal, graphic or physical acts including electronically transmitted acts i.e., internet, cell phone, personal digital assistant (pda), or wireless hand-held device, either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule or humiliate. Such behaviors are

prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school-provided transportation or at any official school bus stop that a reasonable person under the circumstances should know will have the effect of:

Causing mental or physical harm to the other student/school personnel including placing an individual in reasonable fear of physical harm and/or damaging of students' personal property; and, is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

Anyone who witnesses or suspects that a student or adult is being harassed, intimidated, or bullied in any way should report it immediately to the building personnel. **For complete details about Lowellville's attention to bullying, please visit the link on the District website.**

DISCIPLINARY PROCEDURES

The Lowellville Local School Board of Education recognizes the right of each student to an education. Inherent in this right is the responsibility of each student to act in such a way as not to interfere with the rights of others to the same opportunity.

School personnel, parents, and students have the responsibility to develop and maintain an orderly and safe school environment. Our primary goal is to provide positive experience to influence positive student behavior.

When certain behaviors are recognized as inappropriate and unacceptable the Code of Student Conduct will be followed to outline the consequences of the negative behavior. **This code is merely a guide. The administration has final say in all discipline procedures.**

Minor Infractions may be corrected as follows:

1. Teacher/student conference.
2. Teacher or Principal contact of the parent(s).
3. Denial of privileges.
4. Detentions may be assigned at any time.

* Excessive detentions will lead to suspension.

Failure to contribute to the common good of all or interfering with the rights of other students and/or teachers may result in a detention(s).

Detentions may be given for, but not limited to, the following behaviors:

1. Disrespectful treatment of a staff member or another student.
2. Deliberate disruption of the learning process.
3. Destruction of personal and/or school property.
4. Failure to obey the rules in the student handbook.

Detentions slips are to be signed by parent or guardian and returned to the detention teacher on the day on which they are to serve detention. The date is written on the detention slip. Detention for students will be held from 7:45 am - 8:15 am in room 2. Failure to return a signed detention slip or to report for detention or to come to detention late will result in

servicing a second detention. After a student has accumulated 5 detentions a conference may be set up with the parents, teacher and Principal to determine ways to help the student.
***Saturday Detentions may be assigned by the administration.**

Major Infractions will follow the procedure for suspension/expulsion and removal as outlined in the Code of Student Conduct.(School Board Policy #701) A copy of the Code of Student Conduct is available upon request.

DISCIPLINARY PROCEDURES

Appropriate and reasonable disciplinary action will be taken for offenses not specified in this Code of Conduct because it is impossible to itemize all acts of student misconduct. The main areas of conduct which will lead to disciplinary action are listed below. Behavior which can be considered improper for an atmosphere conducive to learning shall be divided into two categories: minor infractions and major infractions.

MINOR INFRACTIONS

1. Tardiness (unless habitual)

3. Dress code or uniform violation
4. First time any class period is skipped or any portion thereof

8. Failing to follow class rules and regulations as described by the teacher
9. Failing to follow the bus conduct rules as specified in this handbook
10. Use of personal cell phone to call home during school day

MAJOR INFRACTIONS

1. Second violation of any minor infraction
2. Disruption of the normal school process. A student shall not by use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or through any other conduct, cause the substantial and material disruption or obstruction of any lawful mission, process or function of the school.
3. Damage, destruction or theft of school or private property. A student (or other persons) shall not cause or attempt to cause damage to private or school property.

Students and their parents or guardians will be held responsible for any vandalism, damage, or destruction that the student commits on school property. Remuneration for the complete restoration of the damage will be required.

4. Assault, fighting, threatening, harassing, intimidating, causing or attempting to cause physical injury to any person, inciting panic.
(First Offense: 1-3 days out-of-school suspension; Second Offense: up to 10 days out-of-school suspension, expulsion recommended)

5. Chemical/Alcohol abuse

The Board of Education acknowledges that student use or possession of alcohol/drugs may result in the illness termed chemical dependency. The Board desires to aid in preventing the development of such dependency and avoid the accompanying disruption of a student's education program. Thus, to promote an alcohol and drug free school, the Board supports the adoption and enforcement of regulations which prohibit student contact with alcoholic beverages, intoxicants and drugs of abuse during the times the student is subject to the authority of school officials. Use of a substance in such a manner as to cause intoxication is prohibited.

- a. Selling of drugs on or near school property will result in expulsion. (Lowellville Schools fall under the Drug Free/Gun Free School zones, therefore, federal law will enter into any convictions).
- b. Possessing, using, transmitting, concealing or consuming any alcoholic beverage, intoxicant, pills of any kind, counterfeit controlled substance or look-alikes or any of the drugs of abuse is prohibited. Students shall not consume any alcoholic beverages, intoxicants or drugs of abuse at any time before a student's arrival at school or at a school sponsored or related event or activity.
- c. Possessing, using, transmitting, selling or concealing any drug abuse instrument or paraphernalia is prohibited. (for example: hypodermic needle, syringe, water pipe, roach clip).
- d. A student shall not be "under the influence" of an illegal/harmful drug, alcoholic beverage, mood altering chemical, or substance represented as a mood altering substance. "Under the influence" is defined as manifesting before a school official signs of chemical misuse such as, but not limited to, staggering, reddened eyes, odor of chemicals, nervousness, restlessness, memory loss, abusive language, falling asleep in class, or any other behavior not normal for a particular student such that school officials are led to uncover further evidence of the chemical misuse.
- e. Examples of drug abuse include, but are not limited to, narcotic drugs, hallucinogenic drugs, generic drugs, amphetamines, steroids, barbiturates, marijuana, glue, cocaine, counterfeit controlled substance or look-alikes, synthetic or other substances that could modify behavior. (Use of drugs in accordance with a medical prescription from a licensed physician shall not be considered to be in violation of this rule).
- f. The police will be involved with each occurrence of suspected substance use and/or possession and all confiscated materials will be turned over to them for their professional analysis. In addition charges will be filed through the proper court system.

A student that is in violation of the drug/alcohol policy will be suspended for ten (10) days out-of-school. Within five (5) days after suspension a recommendation for expulsion will be made by the Principal.

6. Possession of Dangerous Weapons*

Students are prohibited from bringing a firearm to a school operated by the Board of Education or onto any other property owned or controlled by the Board. PARENT-TEACHER CONFERENCES

Two parent-teacher conferences are scheduled for all parents each school year. They are held in November and February. PARTNERS WITH TEACHERS

Schools alone do not educate children. Education is a partnership between home and school. Parental involvement in the school's program often results in improved student achievement. Parental involvement indicates to children that education is important.

Some ways you can provide support are to:

- indicate that school is important
- encourage good attendance
- visit with your children's teachers
- call or visit the school if you are concerned about a child's particular school experience
- visit the teacher when children are not happy about school
- find out why and work together to solve the problem
- check homework for neatness and completeness (Do not do homework for children)
- check with teachers for ways you can help you child
- work as a volunteer in the school
- join the Parent-Teacher Organization

*The Principal has the authority to make a decision on any unforeseen situations or incidents not covered by this handbook or code of conduct. The Superintendent shall be informed and, if necessary, appropriate action to amend this handbook shall follow with Board of Education approval.
