

IPDP BROAD LEARNING GOALS

Name: _____ Date Submitted to LPDC: _____

Building: _____ Assignment: _____

1. Educators are asked to: (1) examine your practice; (2) determine your priorities and goals; (3) complete this IPDP according to district LPDC policy; and (4) obtain pre-approval from the LPDC prior to any activity used to maintain your credentials.
2. Goals must be SMART: Specific, Measurable, Attainable, Results-Based, and Time-Bound. The attached Goals Process Model and District CCIP/Strategic Plan/Building Goals will help you create priorities for your learning that guide you toward high quality professional growth.
3. Your goals should be broad enough to encompass the credentials you are maintaining and the time span of this plan.

Goal 1:

Rationale: (aligns to district goals; demonstrates that data is used; includes collaboration; includes variety of experiences and structure; demonstrates that impact on students is a priority; speaks to increasing knowledge and skills in credentials and assignment areas.)

Goal 2:

Rationale:

Goal 3:

Rationale:
