

THE "ROCKET REPORT"

"LAUNCH INTO A NEW SCHOOL YEAR!"

SUMMER 2018

Volume II, Issue 3
August 2018

LOWELLVILLE K-12 Has New Start Times!

The Lowellville Schools adopted new start and ending times for all students grades K-12 beginning the 2018-2019 school year. This progressive effort has many positive advantages including the ability of students to get "on" and "off" campus safer, quicker and easier, less hassle for parents that have more than one child in multiple grades, increased time

on task for students and teachers at the beginning of school and at the end of the day and parent's schedules being maximized, and not having to wait around for extended periods for school to let out. The new start and end bell times for the elementary school is from 8:00 a.m. - 2:30 p.m. and the high school from 7:45 a.m. - 2:45 p.m. Bus-

sing, parent pick-ups and walker information can be found on the District website at <http://www.lowellville.k12.oh.us>. If you have any questions or special requests, be sure to call the elementary or high school office at (330) 536-8426.

LOWELLVILLE K-6 Offers After-School Care for 2018-2019

SUNSHINE and LOLLIPOPS DAY CARE and LEARNING CENTER LOWELLVILLE AFTER SCHOOL CARE PROGRAM

Parents of students in grades kindergarten through sixth grade have the opportunity to enroll their child(ren) in the after school program Monday - Friday from 2:30 - 6:00 p.m. in Room 29. The cost is \$5.50 per hour per child. The program will provide an after school snack, homework help, fun activities and group play. Also, the program boasts a track record with certified and experienced staff. Interested?

Contact Christa at 330-774-8247 For Enrollment Information

LOWELLVILLE SCHOOLS
Implements **BRIDGES K-5 Math**
Curriculum

Bridges in Mathematics is a comprehensive research-based K–5 curriculum that equips teachers to fully implement the Common Core State Standards for Mathematics in a manner that is rigorous, coherent, engaging, and accessible to all learners.

The **Bridges** curriculum focuses on developing students' deep understandings of mathematical concepts, proficiency with key skills, and ability to solve complex and novel problems. **Bridges** blends direct instruction, structured investigation, and open exploration. It taps into the intelligence and strengths of all students by presenting material that is as linguistically, visually, and kinesthetically rich as it is mathematically powerful.

2018 GOLF OUTING A HUGE SUCCESS!

The Lowellville Board of Education held its 28th annual golf outing on August 5th at Bedford Trails Golf Course. The outing hosted over 20 teams where each team enjoyed the pleasures of the course and a wonderful meal (steak dinner and Italian buffet) after their 18 hole rounds. The event provided several major prizes including \$300 for the winning team and \$200 for being the runner-up. Both teams will receive a discounted rate for the 2019 golf outing! A host on individuals received gifts if they were lucky enough to have their raffle ticket pulled from the bucket which included: name brand hats, gift cards, clubs, shirts, and a grand prize of an I-Pad donated by Fred Ludwick from Magic Moments Photography.

All in all the outing was a great success. The outing next year is scheduled for **August 4th at Bedford Trails**. We hope to see all of you there and again, thanks goes out to all for their donations, contributions, planning and participation!
