All Call:

Good evening Lowellville Community,

I wanted to take a moment to thank our voters in the community for your continued support and passing the 5 year permanent improvement school levy. I value the confidence that our voters and community have placed in our school system. Please know, the District will continue to monitor our dollars, act as a good steward of the community's investment in our schools, and provide transparency throughout the process. Once again, I sincerely thank all of you for your investment in the Lowellville Local School District.

Thank you and never forget, it's a GREAT day to be a ROCKET!

**MISSION**

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.
