Good afternoon Lowellville Community,

This is Superintendent Sawicki with a brief announcement. On June 22, 2022, the Board of Education approved revisions to the 2022-2023 school calendar. There were a few minor revisions that needed to be made and none of the holiday breaks were changed. You can find the revised calendar and notes outlining the changes on the District's web page under the quick links section on the left hand side of the main page.

Please note, a calendar of events for the upcoming school year is also being put together and will be shared before the school year begins.

Thank you and never forget, we are Lowellville Strong!

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.
