All Call:

Good afternoon Lowellville Community,

This is Superintendent Sawicki with a brief announcement. Due to the increase in recent school violence incidents in school districts across America, as well as in our own district, the Lowellville administration and Board of Education are assessing the current safety and security features and needs of the district. We believe that every individual that enters the district should feel and be safe. We would also like to gather input from all of our students, staff, and families. If you would kindly take a few minutes to complete a short survey we would greatly appreciate it. We have created three different surveys and ask that you complete the one that applies to you. Surveys for parents/guardians, students, and staff members are available to complete. All of the surveys are posted on the district's website and will be accepting responses until July 7, 2022. Thank you and have a wonderful, safe, and Happy 4th of July!

Thank you and never forget, we are Lowellville Strong!
