Time: 3:20 p.m.

All Call:

Good afternoon Lowellville Community,

This is Superintendent Sawicki with a brief announcement. First, I want to thank everyone for a wonderful first day back to school. We had a wonderful day and are looking forward to our K-3 students returning on Friday. Based on the new safety and security practices we have instituted this year, we ask that you have patience as we work to fine tune our morning arrival procedures.

In order to help with moving our students through the security checkpoints in the morning, we are making the following change to the morning drop-off procedure.

Beginning tomorrow, Tuesday, August 23rd, K-6 car riders will be dropped off in the back parking lot and enter through the cafeteria doors. Parents should follow the car line along the sidewalk, just as they do for afternoon pick up. For the safety of all students, parents are not permitted to park in the back parking lot and have students cross the lot to enter the building.

Students in grades 7-12 car riders/drivers will continue to enter through the front main entrance.

K-3 students who are coming in for assessments this week should still use the main front entrance. In addition, all visitors must report to the main entrance.

There are no changes to the afternoon pick-up procedures.

Also, please remind students to have their chromebooks, musical instruments, and 3 ring binders out of their bags as they pass through the checkpoint.

We appreciate your patience as we work through the arrival process and will continue to communicate any other changes, if necessary.

Thank you and never forget, it's a GREAT day to be a ROCKET!

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.
