Date: July 28, 2022

Time: 3:00 p.m.

All Call:

Good afternoon Lowellville Community,

This is Superintendent Sawicki with some information on recent safety upgrades for the district. I know safety is on the minds of everyone given the unfortunate event that occurred in May. Please know that safety is a top priority for me, the administration, and the Board of Education. We appreciate the patience you have shown the last few months as we have taken the time to survey our parents, students, and staff, and research and analyze multiple different safety initiatives that may be appropriate for Lowellville. Safety will continue to be an ongoing focus for the district and practices and upgrades will continue to be added and/or updated and evaluated throughout the year. At this time, I want to direct you to our website under "Latest News" where you will find a summary of some of the new safety initiatives that you will see for the coming year.

I also want to remind our families that the tax free weekend for school supplies and clothing will take place August 5th-7th. Our dress code for the 2022-2023 school year remains the same except for the fact that we will strictly be enforcing the no hoodie policy.

Safety and Security Upgrades for 2022-2023

Thank you and never forget, it's a GREAT day to be a ROCKET!

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.
